

BAY AREA YOUTH SPORTS FOUNDATION – San Francisco Fall Lacrosse Classic 2009 Corporate Community Partner Program

The Opportunity

You and your company can help support the BAYS Foundation by attending the San Francisco Fall Lacrosse Classic on October 10 with your employees and clients, and at the same time help make it possible for 1000 children from low-income sports programs in the Bay Area to attend this exciting event for free.

How You Can Help

Become a BAYS Foundation Corporate Community Partner by purchasing a special block of 40 to 200 tickets to the San Francisco Fall Lacrosse Classic. Your contribution includes tickets to the game for you to distribute to employees and/or clients and provides free tickets to children from underserved youth sports programs in the Bay Area to attend the event on October 10.

Recognition

All BAYS Foundation Corporate Community Partners will be recognized on our event website; in a special Community Partners section of our printed game day program; as well as by name over the public address system during the event at Kezar Stadium on October 10. A portion of each contribution is a tax-deductible contribution to the BAYS Foundation, a 501(c)3 non-profit organization, the amount of which varies based on number of tickets purchased as indicated below.

Contribution to BAYS	Number of Tickets for Company	Number of Free Tickets Provided to Underserved Kids	Tax Deductible Amount of Contribution
\$5000	200	100	\$3000
\$2500	100	50	\$1500
\$2000	80	40	\$1200
\$1500	60	30	\$900
\$1000	40	20	\$600

If you would like to become a Corporate Community Partner but do not want or need a large number of tickets, you can also support us at one of the below levels, each of which include a small number of complimentary tickets as well as all of the recognition benefits mentioned above.

Contribution to BAYS	Complimentary Tickets for Company	Number of Free Tickets Provided to Underserved Kids	Tax Deductible Amount of Contribution
\$5000	20	500	\$5000
\$2500	10	250	\$2500
\$2000	8	200	\$2000
\$1500	6	150	\$1500
\$1000	4	100	\$1000
